Hi Donna. So nice to hear from you. I hope things are going well in StL.

After 10 years at Amgen, I will be retiring on Nov. 21. Jean/I are planning to move to Prescott, AZ between Thanksgiving and Christmas. You can reach me after Nov 21 at acquajohn@gmail.com. I am planning to be semi-retired for the next 5 years - perhaps up to 40% of my time. I would be glad to help with IARC - reviewing drafts, etc.

BTW, we have plenty of room in Prescott, in case you are ever planning a visit to the Grand Canyon or elsewhere in AZ.

Please say high to my friends at Monsanto and feel free to pass on my email.

Regards,

John Acquavella, PhD

John,

I do hope this finds you and your family well. After being the stewardship group for 5 years I am back in toxicology and once again supporting glyphosate.

Just wanted to let you that what we have long been concerned about has happened. Glyphosate is on for an IARC review in March of 2015.

Meeting 112: Some Organophosphate Insecticides and Herbicides: Diazinon, Glyphosate, Malathion, Parathion, and Tetrachlorvinphos (3-10 March 2015)

Call for Data (closing date 3 February 2015)  
Call for Experts (closing date 30 July 2014)  
Request for Observer Status (closing date 3 November 2014)  
WHO Declaration of Interests for this volume

Glyphosate had been listed as a medium priority for 2015-2016 but clearly something happened and it got moved up to an ultra priority.

Monsanto has continued to work with Tom Sorahan and developed a relationship with Sir Colin Barry after the loss of Sir Richard. I have sent Tom an email asking for his help as we move forward.

Again do wish you well and really will miss your expertise and leadership on this issue!!

Warmest regards,

Donna
